Most Common Fields – daily Use

The screenshot shows the HP Quality Center interface. On the left is a navigation pane with links to Dashboard, Management, Requirements, Testing, and Defects. The main area displays a 'Defects' table with columns for Defect ID and Status. A 'Filter defects' dialog box is open, showing a list of fields for filtering. The 'Filter' tab is selected, and the 'Headline' field is chosen with the condition 'Element Or NewSearch'.

Test Plan Option

The screenshot displays a software testing application interface. On the left, a sidebar menu lists various options: Dashboard, Analysis View, Dashboard View, Management, Releases, Libraries, Requirements, Requirements, Business Models, Testing, Test Resources, Test Plan (highlighted with a red box), Test Lab, and Defects. The main window is titled 'Tests Edit View Favorites Analysis' and contains a tree view on the left and a details panel on the right. The tree view shows a hierarchy of test plans, with 'Test Plan' selected. The details panel shows fields for Component, Test Name, Designer, Type, Creation Date, Number of Test Exe..., Reviewed Date, State, Test Case ID, and Test ID. The 'Test Case ID' and 'Test ID' fields are highlighted in red. The bottom of the screen shows a Windows taskbar with various application icons and the system clock.

Requirements Option

The screenshot shows a software requirements management tool. The left sidebar contains a navigation menu with the following items: Dashboard, Analysis View, Dashboard View, Management, Releases, Libraries, Requirements (highlighted), Business Models, Testing, and Defects. The main window has a menu bar with 'Requirements', 'Edit', 'View', 'Favorites', and 'Analysis'. Below the menu bar is a toolbar with various icons. The main area displays a hierarchical tree of requirements on the left and a table of requirement details on the right.

Requirements Tree:

- Requirements
 - Common Functionality
 - Branded Web Sites
 - Globalization
 - Promotions
 - API and Mobile Apps
 - Enterprise Mobile Web
 - Common Functionality
 - Brands
 - ABC
 - Globalization
 - Agile Stories
 - Phase 1

New Defect Opening – Required Fields - 2

The screenshot shows a web application for opening a new defect. The interface includes a sidebar with 'Details' and 'Attachments' tabs. The main form has three tabs: 'Details', 'Development_Note_Entry', and 'In Language Result'. The 'Details' tab is active, displaying various input fields. Required fields are highlighted with red boxes: '* Language(s) Affected:', '* Component:', '* Description:', 'Buid Environment:', and 'Project Build:'. The 'Description' field is a large text area with a rich text editor toolbar. Below the form, there are 'Submit', 'Close', and 'Help' buttons. The Windows taskbar at the bottom shows the date and time as 11:06 PM on 4/24/2013.
